

Valley Falls Police Department

Marcus F. Koch – Chief of Police

City Council Meeting – 01.06.2021

I have been actively following the dog attack incident and have been in contact with the Jefferson County Sheriff's Office and the Jefferson County Attorney regarding the status of the case. In light of the circumstances, I have made the decision to have the dog owners cited in Valley Falls Municipal Court for Vicious Dog in addition to whatever charges are going to be imposed by the county. It is my goal to have the dog, that inflicted the horrendous injuries, destroyed and that the people responsible for it be held accountable.
